BIOGRAPHY

I'm 19 years old creative, enthusiastic and professional 3D artist with problem solving skills. I am adoptable, flexible and have ability to manage pressure ambiguity and change. I possess the required confidece in taking up new challenges and successfully completing it.

OBJECTIVE

To take up challenging career that provides room to actualize my potential and also add value to my existing knowledge in 3D-skills. Seeking a company that demands high quality work and better professional image.
